

Dear Parents/Carers,

As a memento of their time at our school, our wonderful PTA have organised the opportunity for all the pupils leaving this year to purchase a leavers hoodie.

You can see the base design for the hoodie below - please take a look and make sure your child's name is present and exactly as they want it to appear - if there are any errors, please get in touch with school to let them know so changes can be made before we sign off the final design.

You can order a leavers hoodie for your child by logging onto our dedicated online shop where you can choose the size and any other options - simply scan the QR code below or go to the website and enter the login details below:
