

THOMAS WILLINGALE SCHOOL AND NURSERY

The Broadway, Loughton, Essex. IG10 3SR. Tel: 020 8508 7287 Fax: 020 8502 5364

Headteacher: Miss T. Phillips B.A. (Hons.), PGCE

9th March 2026

Dear Parents,

As part of our topic 'Homes and Habitats' we are very excited to let you know that we have been offered a **reptile visit** for the children to observe a range of different reptiles including; a Chameleon, a Bearded Dragon, two small snakes, Crested Geckos, Leopard Geckos and a giant Millipede.

The children will have the opportunity to touch and stroke the reptiles if they wish. They will have plenty of opportunities to look and ask questions about each reptile and where they live.

This wonderful experience will be on **Friday 20th March** throughout the school day.

The children will find out all about these wonderful creatures and have time to look at them closely as part of a whole class activity. We will add photographs and videos to Tapestry so you can talk to your child about this wonderful experience.

If you have any questions, please do not hesitate to contact the Reception staff.

Many thanks,

Reception Team
