Dear Parent/Carer

We are pleased to announce that we are fund raising with Adventure Island Theme Park Southend. Adventure Island has some of the country's best facilities and most exhilarating rides. Follow the link to find out more <https://adventureisland.co.uk/>

We will be selling tickets which can be exchanged for wrist bands in the park at the cashier point. The bands can be used for unlimited rides (height restrictions apply to some rides) , at a discounted rate of £15.50. Bands cost £22.50 online or £25 in the park on the day. The bands may be used any day you choose to go.

If you would like to purchase tickets at the discounted rate please go to www.pay360educationpayments.com /school shop. Please collect your tickets from the office in Willingale Road.

This is a permanent product available in our school shop all year round. Please be mindful to order your tickets in advance of school holidays as you will need to collect them whilst the school is open.

Yours sincerely

J Erics
