Headteacher: Miss T. Phillips B.A. (Hons.), PGCE

October Half Term 2022

Dear Parents/Carers

Thank you for filling out the questionnaire after your parents meeting on Wednesday. Below are some of the lovely comments made by parents when asked what we could do to improve!

It is always motivating to get such good feedback and we appreciate you taking the time to do so.

We were also given a few suggestions on what we could improve and we will be addressing these if we can. If applicable we will speak directly to the parent or class teacher. We will conduct a full parent survey after half term, part of this will include a question on homework style and the tuckshop frequency.

Thank you for your continued support.

With Kind Regards

Miss Teresa Phillips and the TWS team.
